August 2010

Our next meeting will be August 8th at 2 p.m. at Tomlin's gallery/studio in Harrisburg. This meeting will be a show and tell, so please bring your latest creations to share with the group.

A MESSAGE FROM OUR PRESIDENT:

Hello Everyone,

Thank you all for the vote of confidence in electing me as your new president. I will try to live up to the challenge and keep the Guild a vital and exciting organization. In that endeavor, I seek your involvement and ideas.

Thanks to Jennie Tomlin for hosting our last meeting and picnic and for providing the meats for our meal. Those, combined with all the delicious items brought by the rest of you, made a wonderful repast. Thanks also to Leigh Williams for an exciting demonstration of Acrylic Mediums.

Ann Glacken will assume the responsibility for our newsletter, to give Jennie Tomlin a rest after three years at the helm. Never fear however, Jennie will continue as our "social chairperson" so we can look forward to wonderful times in the future. Jutta Vest will assume another new position of "event coordinator" to facilitate our exhibits and workshops. Give these persons all the help and support that you can, especially when they ask. Remember, the more hands, the lighter the work, and the greater the fellowship. George Engstrom continues as our treasurer, and Amanda Martin will take care of the website. We are still in need of a vice president to handle meetings if I can not attend and work with the other officers in keeping the Guild strong and exciting. Warm regards to you all, Keith Pavey

Program for August 8th meeting: Show and Tell. Bring your art work to show and be prepared to show and tell.

Our July CAG meeting was very interesting. Leigh Williams, who is a former art teacher, demonstrated the different textures she uses with her acrylic paintings. Leigh brought several of her beautiful pictures to the meeting. With the different additives, she attains a look that is almost three dimensional. The walls of the buildings on her paintings look like real stone or stucco and even feel like it. I am so glad that we had such a great turnout and be a part of a wonderful presentation.

The picnic following the art talk and demo was a total success. Thanks to our wonderful hostess, we had the perfect place in the shade with much too much food. Everybody brought something delicious and I know that I ate WAY TOO MUCH!! Thank you Jennie for opening your home and Gallery to us AGAIN and for making it such a great day! Jutta

PAINTING TIP

A helpful painting tip submitted to About.com by a fellow artist.

Tightening an already stretched canvas is easy: I use a mister or a spray bottle with plain water (cold or hot). Spray the back of the canvas, then using your hand or a damp sponge spread the mist around and right up to and under the stretcher bars. Don't over-wet the canvas -- it's not necessary to wet it to the point of dripping, after all. Cotton duct canvas is made from 100% cotton and you know how cotton shrinks, right? Repeat, if necessary, after it dries, which is almost immediately. Tip from: Linda Folks

DUES ARE DUE!!!!

Just a friendly reminder that our annual dues were due by July 1st. Our dues remain at the reasonable cost of \$25 per year. Membership in the guild will allow you a good discount on workshops and allow you to participate in upcoming exhibits and sales opportunities. Please check the membership list below. If your name appears in red, your membership is not up-to-date. Thank you for your support. Also, our year-end financial statement is available from our treasurer, George Engstrom, for anyone who would like to review it.
