Pastels are an easy way to draw with color and create beautiful works of art. If you are ready to try a new medium, consider exploring pastels with Malia. In this class we will look at the different types of pastels, surfaces you can use, and various techniques for using them. Bring a picture or an idea or use one provided by the instructor.

Materials will be provided by instructor. If you have pastels, you can bring them but it is not required.

Note: If you have respiratory issues, dry pastels generate dust and may impact your breathing. Please bring a dust mask to be safe.
