10:00 – 3:00 – Cost: \$90

Instructor: Kristy Keistler, forgivemenotfairies@gmail.com

Cut Paper Sculpting brings a different perspective to art by creating 3-D images from a flat piece of paper. It literally jumps right off the mat. This 16x20 piece of art is an elegant addition to your home, or perhaps you need a unique gift.

And you don't need a ton of craft skills to create this beautiful piece. All levels of experience, including beginners, are welcome.

Kristy will guide you through each step of the process. You should be able to leave with a stunning finished piece of art.

You will have various elephant samples already assembled and may choose something from that selection to add to your piece.

Instructor will provide all materials needed for your project. You even get to keep the sculpting tools.

Students will need to bring a regular pair of scissors and any type of X-Acto knife.

Advance registration and payment are required. Register online at www.cabarrusartguild.org, call 704-795-1901 or stop by the gallery to register.
