Beginning Stained Glass

Saturday, September 26, 9:30 AM – 5:00 PM, Cost \$60.00

Instructor: Ralph Valentine, trvwestga@yahoo.com

Learn the basics of making stained glass using the copper foil technique (Tiffany Style). Design your own piece using squares and rectangles. You will learn preparation of the glass, applying copper foil and soldering. You will also join the pieces and cut and apply the channel that supports the piece. You will finish your piece by applying patina. At the end of class you will have an 8" X 8" stained glass piece. Wear old clothes or bring something to protect your clothing.

There will be a short break for lunch so bring your own or pick up something from one of downtown Concord's restaurants. We recommend you bring something in order to maximize your time with the instructor.

Materials Provided by Instructor:

All tools required to complete the piece
Dust masks and safety glasses
Solder
Copper Foil
Flux
Patina

Materials Supplied by Student:

2 or 3 pieces of stained glass, colors of your choice, available at Hobby Lobby (use your coupons)
Black fine point Sharpie
