Machine Quilting

Monday, November 2, 10:30 AM – 3:30 PM, \$55.00

Instructor: Susan Edmonson, susanledmonson@gmail.com

This will be an introduction to machine quilting techniques. If you have tried to quilt & were frustrated with your results, this class should help improve your skills. So it is designed to get you started! Susan will help you with any problems you may be having so you can enjoy the creativity of free-motion stitching! We will be making small pieces from “Quilt Sandwiches” using fat quarters of cotton fabrics and cotton batting.

Susan Edmonson 704 795-3047 or susanledmonson@gmail.com

Intro to Machine Quilting Supply List

Sewing Machine in good working order (must be able to lower the feed dogs) & Owners manual for machine

Walking Foot (Bernina #50)

Free-Motion Foot (Bernina #9, #29, or BSR)

Machine Quilting Needles (75/11)

Quilting Gloves (Atlas are my favorites, but those are your choice)

4 Fat quarters of solid color 100% cotton fabric

1 1/4 yd. 18” wide (or Crib Size) Dream Fusion Cotton Batting (you will need 2 18” x 22” pieces of the batting for the quilt sandwiches) *This batting will be available for purchase during class.*

Machine Quilting Threads to match your fabric for Sandwiches (Wonderfil (Konfetti or Tutti), Mettler, King Tut, YLI or Oliver Twist) (*No Signature, Star or Coats & Clarks*)

Straight pins

Quilting Safety Pins

(Optional) Basting needle with “junk” thread (threads Susan will *not* let you quilt with)

General’s Chalk Pencil in Gray, blue or pink

Plastic Quilting Templates (optional)

***Quilt Sandwiches: These are layered with one fat Quarter on top, batting in the middle and one fat quarter on the bottom. The bottom fabric can be a print, but the top needs to be a solid color, so you can see what you are stitching. There will be more instructions in the class for this sandwich, but this is fine for the class.
