(Sun.) Nov. 5, 12, 19, 26

Time: 2:30pm – 5:30pm

Choose **3 hour sessions @ \$90** or **4 hour sessions @ \$100**

Instructor: Daria Phillips-Custer Phone: 704-641-2910, cosmos4inspiration@gmail.com

Join Daria who will assist you in learning how to mold a lump of clay into an expressive art object that reflects your creative side. It's messy, fun and could possibly be your new passion!

Daria will show you how to hand build from a lump of wet clay to a finished glazed work.

You'll get to explore coil, slab and pinch methods as well as applying several types of glazes. Projects can be functional or sculptural depending on what you'd like to create.

Class fee is for 4 sessions, classes run for 4 consecutive weeks. All skill levels are welcome.

Materials provided by instructor: Clay (about 25 lbs.), clay tools, glazes and kiln firing. Daria will store your creations until the end of the month.

Materials provided by student: Clothes that can be messy, a towel (if desired) and ideas for projects.

If you choose to bring your own tools then please make sure they are marked with your name.

Please check out Daria's work displayed at the Guild.

Advance registration and payment are required. Register online at www.cabarrusartguild.org, call 704-795-1901 or stop by the gallery to register.
